

## Safeguarding

If you require any safeguarding support on the day for example if you have a concern or wish to report an incident, please approach a SIDA staff member at the registration desk or the SIDA stall who will be able to escalate the issue to the safeguarding lead. Staff will be identifiable by their green lanyard. If your safeguarding concern is not urgent, please contact Deirdre Muldowney: [Deirdre@intdevalliance.scot](mailto:Deirdre@intdevalliance.scot).

## Safe Spaces Policy

Scotland's International Development Alliance is committed to holding inclusive spaces for cross cultural conversations in a supportive and protected environment for all those sharing their experience and expertise. This includes our annual conference. [Please, read our Safe Spaces Policy](#) for guidance and honour this code of conduct.

## First Aid

First aiders are available on site. Please, notify one of the SIDA team if you require first aid assistance and they will escalate to a first aider.

## Photography

If you do not wish to be photographed or recorded, please let a member of the SIDA team know at the registration desk or the SIDA stall and you will be provided with a sticker to wear. Our photographer will do their best to avoid capturing you, however, please be aware that you may be captured in wider shots of the day.

## Those Under 18

Anyone in attendance under the age of 18 must be accompanied by an adult who is responsible for them and their wellbeing. Any organisation bringing those under age 18 must have their own safeguarding policy in place.
