

Updates to Articles of Association of Scotland's International Development Alliance 2025

Accompanying notes.

- Amendment to remove references to 'the Alliance' as we have now switched to using SIDA.
- Removed outdated definition of International Development.
- In line with our language policy we have removed gender references throughout the document.
- Adding footer with name of document and page numbers

5.1.2

- Removing the requirement of the Board to approve membership applications

5.2.1

- Removing surplus language for clarity

6.2 & 9

- Clarifying that the board will elect its Chair at the first meeting following the AGM and removing the reference to election of the chair in the agenda of the AGM in consequence.
