Development Alliance

SIDA Spring Conference 2026

Sponsorship & exhibition opportunities

10th March 2026
COSLA centre,
Edinburgh

About the event

Partnering with SIDA demonstrates your commitment to building a fairer world, free from poverty, injustice and environmental threats. At this year's Spring Conference, we'll explore some of the key challenges facing the sector, with a particular focus on climate as a multifaceted challenge that cuts across all aspects of development work.

Expect a day of engaging conversations with leading voices in the field, with opportunities to build connections and share knowledge with potential clients and partners, with attendees from local and national government, third sector and advocacy groups, as well as individuals and businesses.

Getting involved as a sponsor will raise your profile and support your strategic positioning among the sector, providing an opportunity to gain visibility, engage and influence over 100 senior representatives from across the sector and beyond.
